BAILMENT AGREEMENT AND ASSIGNMENT OF LEASES (TRUSTEE)
(FLEET III)

BAILMENT AGREEMENT AND ASSIGNMENT OF LEASES, dated as of February 20, 1981, between The Connecticut Bank and Trust Company, a Connecticut banking corporation, acting not in its individual capacity, but as Trustee (the "Trustee") under a Trust Agreement, dated as of April 13, 1981 (the "Trust Agreement") with General Electric Credit and Leasing Corporation, a Delaware corporation ("GECC"), and North American Car Corporation, a Delaware corporation ("NACC").

WHEREAS, GECC and NACC have entered into a Restated Management and Service Agreement as Amended and Supplemented With Respect to Fleet III, dated as of February 20, 1981 (the "Fleet III Agreement"), whereby NACC will, from time to time, sell certain units of railroad equipment to the Trustee, and whereby NACC will manage such equipment;

WHEREAS, pursuant to the Trust Agreement, GECC has authorized and directed the Trustee to purchase, pay and accept delivery, pursuant to instructions by GECC and in accordance with the provisions of the Fleet III Agreement, of units of railroad equipment, and to deliver such units, as bailor, to NACC, as bailee;

WHEREAS, the Trustee has purchased, or will purchase, the units of railroad equipment described in Annex A as such Annex may be supplemented or amended from time to time as provided in Article IV hereof (the "Equipment") from NACC and NACC has, or will arrange Leases for the Equipment pursuant to leases described in Annex B as such Annex may be supplemented or amended from time to time as provided in Article IV hereof (the "Leases");

WHEREAS, subject to the provisions of the Fleet III Agreement and the Trust Agreement, the Trustee is or will be the lawful owner of the Equipment and has or will have, when the Equipment is sold to it, full and unencumbered title to the Equipment.

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein, NACC and the Trustee hereby agree as follows:

Article I. Definitions, Interpretation

1.01. The definitions set forth or incorporated by reference in the Fleet III Agreement and in the Trust Agreement are incorporated herein by reference to the same extent as if set forth herein, except as herein otherwise provided.

1.02. In the event of any discrepancy between the provisions of this Agreement and the provisions of the Fleet III Agreement, the provisions of the Fleet III Agreement shall control and the provisions hereof are expressly made subject thereto.

Article II. Bailment

2.01. The Trustee, as bailor, hereby confirms that the Equipment has been, or will be, delivered to NACC, as bailee, to provide leasing, administrative, repair, maintenance and marketing services for such Equipment in accordance with the provisions of the Fleet III Agreement and the Management Agreement, as heretofore or hereafter amended, supplemented or restated.

2.02. NACC agrees to hold the Equipment on the Trustee's behalf, to lease and maintain such Equipment and to account for all income with respect to the Equipment, all in accordance with the terms and conditions of the Fleet III Agreement and the Management Agreement, as heretofore or hereafter amended, supplemented or restated.

Article III. Assignment of Leases

3.01. NACC hereby assigns, transfers and sets over unto the Trustee (i) all NACC's right, title and interest, powers, privileges and other benefits in, but not its obligations under, the Leases, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by NACC from the Lessee under or pursuant to the provisions of any Lease whether as rent, casualty payment, indemnity, liquidated damages, or otherwise, and (ii) all amounts which may be received by or credited to the account of NACC in respect of mileage compensation from railroads using the Equipment or any other sums received by or payable to NACC from parties other than the Lessee with respect thereto (such moneys being hereinafter called the "Payments"), and the right to make all waivers and agreements, to give all notices, consents and

releases, to take all action upon the happening of an event of default specified in any Lease, and to do any and all other things whatsoever which NACC is or may become entitled to do under any Lease. In furtherance of the foregoing assignment, NACC hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, to ask, demand, sue for, collect and receive any and all Payments to which NACC is or may become entitled under any Lease and to enforce compliance by the Lessee thereof with all the terms and provisions thereof.

3.02. The execution and delivery of this Agreement shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of NACC under any Lease, it being agreed that notwithstanding this Agreement or any subsequent assignment, all obligations of NACC to any Lessee shall be and remain enforceable by such Lessee, its successors and assigns, against, and only against, NACC or persons other than the Trustee.

3.03. NACC will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which any Lease provides is to be performed by NACC (such performance to be, where applicable, in accordance with the terms of the Fleet III Agreement). Without the written consent of the Trustee, NACC will not waive, excuse, condone, forgive or in any manner release or discharge the Lessee of or from the obligations, covenants, conditions and agreements to be performed by such Lessee, including, without limitation, the obligation to pay the rents in the manner and at the time and place specified in such Lease or enter into any agreement amending, modifying or terminating such Lease. Notwithstanding the foregoing, NACC shall have the right to cure payment defaults by the Lessee to the extent permitted by Section 9.09 of the Fleet III Agreement.

3.04. NACC does hereby constitute the Trustee as NACC's true and lawful attorney, irrevocably, with full power (in the name of NACC, or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of a Lease to which NACC is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of a Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Trustee may deem to be necessary or advisable under the circumstances.

3.05. NACC represents, warrants and covenants that each Lease (a) has been duly and validly executed by NACC and the Lessee, (b) has not been modified, extended or amended, (c) has not been encumbered by any prior transfer, assignment, sublease, mortgage, liens or assessments or encumbrances of whatsoever nature caused by or suffered to exist by NACC or the failure of NACC to perform any term, covenant, condition or agreement of such Lease and (d) is in full force and effect and NACC further represents, warrants and covenants that all the terms, covenants, conditions and agreements on NACC's part to be performed or observed under such Lease have been fully performed and observed, and agrees to indemnify the Trustee, in both its individual and fiduciary capacities, from and against any loss or damage arising out of any default on the part of NACC in the performance or observance of the said terms, covenants, conditions and agreements required to be performed or observed. NACC represents that the Lessee is not in default in any of its obligations under such Lease.

3.06. NACC further warrants and represents that:

(a) the representations and warranties of NACC in the Fleet III Agreement are true and correct on and as of the date hereof as though made on and as of this date;

(b) NACC has performed all obligations and satisfied all conditions on its part to be performed or satisfied pursuant to the Management Agreement at or prior to the date hereof;

(c) no Termination Event has occurred and no event has occurred, which with the passage of time or the giving of notice, or both, would result in a Termination Event;

(d) NACC is in full compliance with all of its covenants and agreements on its part to be performed pursuant to the Management Agreement;

(e) the representations and warranties of the Builder or Builders of the Equipment are or will be at least as favorable to the purchasers of such Equipment as NACC generally obtains in connection with similar Equipment that it purchases for its own account;

(f) a UCC-1, or other appropriate form of financing statement, has been or will be filed with the Secretary

of State of Illinois with respect to the Assignment of Leases and no other filing or recording is necessary under the Uniform Commercial Code of Illinois to perfect the Trustee's interest in the Leases; and

(g) no more than four copies of each Lease have been or will be executed and NACC has caused to be marked on all copies but two of each of the Leases the following legend:

"This Lease is a COUNTERPART ORIGINAL. No assignment of, or security interest in, this Lease may be created or effected except by the transfer of possession of the copy marked 'ORIGINAL'".

NACC shall make the following disposition of such Leases:

(i) one copy so marked may be filed with the Interstate Commerce Commission under Section 11303(a) of the Interstate Commerce Act, or any successor provision thereto;

(ii) one copy so marked may be retained by NACC;

(iii) one copy, not otherwise legended, shall have been marked "LESSEE'S COPY" and shall be delivered to the Lessee;

(iv) one copy, not otherwise legended, shall have been marked "ORIGINAL" and shall be delivered to the Trustee;

provided, however, that if a Lessee shall request more than one executed copy of its Lease, the number of copies of such Lease which NACC may execute shall be increased by the number of copies, in excess of one, which the Lessee shall request, provided, further, that each copy in excess of four shall be disposed of as provided in clause (iii) above or as provided in the following sentence. Any copy not so disposed of pursuant to clauses (i) through (iv) above shall be delivered to the Trustee.

3.07. NACC will hold the Trustee harmless from and against any claim from any broker in connection with or based upon the negotiation or execution of this Agreement or the Lease or the transactions contemplated herein or therein.

3.08. NACC will, from time to time, execute, acknowledge and deliver any and all further instruments required by law or reasonably requested by the Trustee to confirm or further assure the interest of the Trustee hereunder.

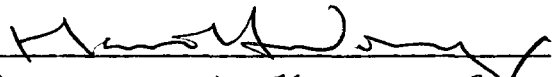

Article IV. Supplements

4.01. NACC and the Trustee may from time to time, subject to any conditions and restrictions of the Trust Agreement, the Fleet III Agreement and the Management Agreement, as heretofore or hereafter amended, supplemented or restated, enter into a supplement or supplements hereto, substantially in the form of Attachment A, which shall form a part hereof, to reflect the sale of additional Equipment to the Trustee and the bailment of such Equipment to NACC or the assignment of Leases with respect to Equipment to the Trustee, or both. Upon execution and delivery of such a supplement the Units of Equipment described therein shall be bailed to NACC (if not previously so bailed) and the Lease shall be assigned to the Trustee, all in accordance with the provisions of this Agreement. No such supplement shall add units of railroad equipment to this Agreement which are not part of Fleet III.

IN WITNESS WHEREOF, NACC and the Trustee have executed this Bailment Agreement and Assignment of Lease as of this 18th day of June, 1981.
